Meet our Guest Speakers!

Darrylyn Z. Swift

Darrylyn Z. Swift has more than 30 years experience developing leadership and management strategies with a keen focus on diversity, equity and inclusion. As organizations and society become more diverse, and misunderstanding, conflicts, tensions and people's desire to understand grows, her approach is to meet the psychological and emotional needs of people to reach a level of understanding, acceptance and value.

Samina Lopez, RN, Lead for UCSF's Code CARE Support Team, with a specialty in mental health and psychiatric nursing. She has an extensive background supporting both patients and staff implementing trauma-informed care principles in medical settings.
