VICE CHANCELLOR HERBERT W. SUELZLE

Business and Finance Bulletin BUS-43 authorizes each Responsible Administrative Officer, within constraints imposed by the Political Reform Act, to approve exception to the Employee-Vendor policy when there are unusual or extenuating circumstances. Responsible Administrative Officer is defined as the Chancellor of a campus or the Director of a Laboratory.

This is to redelegate to you and to Vice Chancellor Erick K. Erickson the authority to approve exception to the Employee-Vendor policy when they are in accord with the provisions of BUS-43.
