Subject: Appointment of Miriam Rike as the FAS Director-Finance and Administration

Colleagues:

I am pleased to announce the appointment of Miriam Rike to the position of Director—Finance and Administration.

As the Director, Miriam will provide senior level support to me and the entire FAS organization with the goal of collaborating with Finance and Administrative Department Heads in creating and maintaining an effective administrative infrastructure for the accomplishment of FAS strategic, financial and operational objectives. She will also work with others across the campus to assist in ensuring that FAS objectives are in concert with and assimilated into the broad direction of the entire campus. In addition, she will also serve as the steward for communications within FAS as well as represent FAS in campus-wide planning and advisory committees.

Miriam comes to FAS from the UCSF Medical Center where she was a finance consultant with an impressive resume of experience and background in finance. Prior to coming to UCSF, she served as Vice President of Investment Banking at J.P. Morgan Chase where she led the structuring and implementation of new debt issuance and refunding strategies for municipal and not-for-profit clients. Her clients included The UC Regents, City and County of San Francisco, SF Airport, SF Public Utilities Commission, SF County Transportation Authority, and State of California, to name a few.

Before joining J.P. Morgan, she served as Finance Manager at the Massachusetts Water Resource Authority, and consulted at the Urban Institute in Washington, D.C. and at Xenergy in Boston. Miriam holds a Master degree in Real Estate Development and City Planning, and a Bachelor degree in Mechanical Engineering.

Miriam's arrival is planned for November 15 and I very much look forward to the opportunity to work with her. She will be located in the Clinical Sciences Building, Room C-116 and encourage you to stop by and introduce yourselves.

Please join me in welcoming Miriam to her new role at UCSF.

Sincerely,

John E. Plotts
Senior Vice Chancellor—Finance and Administration
