Dear Members of the UCSF Community,

As a reminder, the following Safety and Security Town Hall meetings will take place over the next two weeks. The meetings will inform the community about recent efforts to boost security and engage in discussion to hear your comments and concerns. Light refreshments will be served, and we encourage all members of the UCSF community to attend.

Members who work at other locations are welcome to attend at the nearest venue, but if that is not feasible, the session on June 28 at 12pm can be accessed via live stream using the following link
