Subject: Announcing Mara Fellouris as Assistant Vice Chancellor - Strategy and Business Transformation
Date: Tuesday, January 10, 2017 1:59:11 PM

Dear Colleagues:

As a result of the leadership Mara Fellouris provides to FAS and UCSF, I am pleased to recognize her contributions through the new title of Assistant Vice Chancellor – Strategy and Business Transformation.

Mara has spent over 30 years helping organizations transform their operations. She brings hands-on implementation expertise in strategic planning, organizational effectiveness, process redesign and large-scale technology applications implementation (ERP). Mara came to UCSF in 2002 to lead several business systems projects and within two years formed the Program Management Office. Over the years, she has led the PMO's expansion to deliver a broad range of management consulting services to the campus at an enterprise-wide level and for specific departments and units. In this capacity, she has built a high performing team of professionals whose project management, consulting, facilitation and change management skills have supported customers across the campus. The UCSF PMO is in fact unique across the UC system.

Mara has become a trusted advisor to UCSF leaders and advocate for employees. I am grateful for her ongoing counsel to me and the FAS Executive Team as we work to become an integrated team in support of UCSF.

Please join me in congratulating Mara and acknowledging her outstanding leadership contribution to UCSF.

Sincerely,

Paul E. Jenny
Senior Vice Chancellor
Finance and Administration
University of California, San Francisco
