SENIOR VICE CHANCELLOR JOHN PLOTTTS

Redelegation of Authority—Agreements Pertaining to Purchase of Utilities, Commodities and Services

At the November 16, 1984 meeting, The Regents approved deletion of Subsection (9) of Standing Order 100.4 (dd), which required that utility agreements exceeding $100,000 per year be authorized by The Regents. The effect of that change is to authorize execution of all such utility agreements by the President under Standing Order 100.4 (dd), which provides in part as follows:

100.4 Duties of the President of the University.

***

(dd) Except as otherwise specifically provided in the Bylaws and Standing Orders, the President is authorized to execute on behalf of the Corporation all contracts and other documents necessary in the exercise of the President’s duties...

***

Effective immediately, the authority granted to the President in Section 100.4 (dd) of the Standing Orders of The Regents, and subsequently redelegated to Chancellors by then-President Gardner by his letter of January 14, 1985 (DA 0856, enclosed), to enter into and to execute agreements pertaining to purchase of utilities commodities and services is hereby redelegated to you for your area of responsibility. Any further redelegation of this authority shall be in writing with copies to me, the Vice President—Budget and the Universitywide Policy Coordinator.

This supersedes all previous redelegations of authority on this same subject.
